

AZZLY® is ONC-ATCB Certified.

AZZLY® EHR/PM/PHR is 2011/2012 compliant and has been certified by Infogard an ONC-ATCB in accordance with the applicable certification criteria adopted by the Secretary of Health and Human Services. This certification does not represent an endorsement by the U.S. Department of Health and Human Services or guarantee the receipt of incentive payments.

This important certification is intended to give healthcare providers maximum assurance that AZZLY will meet their needs, as well as support their achievement of Meaningful Use to qualify for the financial incentives available in the 2009 American Recovery and Reinvestment Act (ARRA). AZZLY EHR/PM/PHR passed all criteria selected.

AZZLY® - AZZLY EHR/PM/PHR 2011-2012

- ✓ [\(b\) Electronic prescribing](#)
- ✓ [\(c\) Record demographics](#)

The ONC-ATCB 2011/2012 certification program tests and certifies that EHR technology is capable of meeting the 2011/2012 criteria approved by the Secretary of Health and Human Services (HHS). The certifications include Complete EHRs, which meet all of the 2011/2012 criteria for either eligible provider or hospital technology and EHR Modules, which meet one or more – but not all – of the criteria published by the National Institute of Standards and Technology (NIST) at the time of testing.
